

Document guidelines

Document name	APDU operation.pdf
Description	Operational steps for sending APDU using SDK
Path	FAQs_Document/documents/APDU operation.pdf

Document name	digital envelope.pdf
Description	Flow chart for making digital envelopes
Path	FAQs_Document/documents/digital envelope.pdf

Document name	doUpdateIPEKOperation operate.pdf
Description	Update IPEK Operation
Path	FAQs_Document/documents/doUpdateIPEKOperation operate.pdf

Document name	DUKPT_.pdf
Description	Operational steps for injecting ipek
Path	FAQs_Document/documents/ DUKPT_.pdf

Document name	How to use device to update EMV Configuration.pdf
Description	Update the emv configuration with the bin file
Path	FAQs_Document/documents/How to use device to update EMV Configuration.pdf

Document name	How to use the XML Updater.pdf
Description	Use the xml tool to generate a bin file
Path	FAQs_Document/documents/How to use the XML Updater.pdf

Document name	Key Encryption.pdf
Description	Key encryption process before sending BDK and TMK to dspread
Path	FAQs_Document/documents/ Key Encryption.pdf

Document name	mifare_operation.pdf
Description	Mifare card operation document
Path	FAQs_Document/documents/mifare_operation.pdf

Document name	MK_SK.pdf
Description	Update Masterkey and Workkey
Path	FAQs_Document/documents/MK_SK.pdf

Document name	QPOS BOOK.pdf
Description	Explain integration steps and data encryption and decryption
Path	FAQs_Document/documents/QPOS BOOK.pdf

Document name	QPOS-Android-SDK-Userguid-en-detail.pdf
Description	Android sdk all function description
Path	FAQs_Document/documents/QPOS-Android-SDK-Userguid-en-detail.pdf

Document name	QPOS-iOS-SDK-Userguid-en-detail.pdf
Description	iOS sdk all function description
Path	FAQs_Document/documents/QPOS-iOS-SDK-Userguid-en-detail.pdf

Document name	SDK Integretion Instruction.pdf
---------------	---------------------------------

Description	Pos sdk integration instructions
Path	FAQs_Document/documents/SDK Integreition Instruction.pdf

Document name	Update emv configuration instructions.pdf Update emv operation.pdf
Description	Xml update emv configuration instructions
Path	FAQs_Document/documents/ Update emv configuration instructions.pdf FAQs_Document/documents/ Update emv operation.pdf

Document name	Transaction-TagList-dspread.pdf
Description	Transaction emv tag list
Path	FAQs_Document/documents/Transaction-TagList-dspread.pdf

Document name	ICC Encrypted.pdf
Description	ICC card decryption data flow chart
Path	FAQs_Document/documents/Transaction-TagList-dspread.pdf

Document name	NFC and MSR Encrypted.pdf
Description	NFC and MSR decryption data flow chart
Path	FAQs_Document/documents/Transaction-TagList-dspread.pdf

Tool name	pos drive.zip
Description	Windows computer recognition pos needs to install this driver
Path	FAQs_Document/tools/pos drive.zip

Tool name	XML tool_v1.10.zip
Description	Tool for generating bin files using xml files

Path	FAQs_Document/tools/ XML tool_v1.10.zip
